
RELEASE: Holly A. Silver, P.C. wins The Lawyer Network Award for 2025

Recognised as Global Employment Law Expert of the Year in the US – 2025

Birmingham, UK, 03/09/2025: The Lawyer Network has awarded Holly A. Silver, P.C. in its 2025 awards programme with the accolade: Global Employment Law Expert of the Year in the US – 2025.

Holly Silver is the President of Holly A. Silver, P.C., a US and global employment law firm based in New York. She has 30+ years of US and international employment law corporate experience. The firm's practice has the advantage of understanding jurisdictional legal differences on a global level, and managing the big picture for its clients' cross-border needs. As she is a central resource for the client, Ms Silver can build a team of outside counsel where necessary worldwide, thereby ensuring the strongest and most cohesive legal advice.

Ms Silver is one of the founders of the field of global employment law, and has broad experience handling employment law issues both throughout the US and internationally for companies of all sizes. She is a member of the New York, California, District of Columbia and United States Supreme Court bars. Among other honours, she was chosen as a member of the Fellows of the American Bar Association, a highly selective designation offered to less than 1% of lawyers practising in each state. Ms Silver is also a former Chair of the Equal Employment Advisory Council, now the Center for Workplace Compliance, the leading employer association in the US.

Today, the firm assists clients in resolving employee issues and making decisions that cross borders, as well as in multi-country investigations and complex acquisitions and reorganisations. For US clients, it interprets legal issues that may arise in other countries – as well as globally – and their potential impact on the company. With non-US companies, it provides legal perspective and potential solutions for issues that arise in the US that may affect their business.

The Lawyer Network is the only global legal network structured to provide clients with targeted recommendations across both jurisdiction and specialism. Each award is a mark of distinction and professionalism, presented to firms and individuals who have shown unmatched dedication to their practice and an outstanding ability to deliver results. For this awards edition, we undertook vigorous research involving nominations, recommendations and our judging panel to arrive at a list of the legal practitioners – organised by continent, jurisdiction and practice – who have proved most invaluable to their clients, and our members, during the past 12 months.
